Re: *Solorio v. 142 Mercer Street, LLC, et al.*
Docket No.: 15-cv-5817

Dear Judge Torres:

We are counsel to Plaintiff and write jointly with counsel to Defendants.

By letter dated December 15, 2015, the parties informed the Court that a contemplated class settlement had been reached following private mediation. Thereafter, Plaintiff drafted a proposed settlement agreement. The parties have since finalized the terms of the agreement, which is out for signature with Defendants.

By Order dated December 21, 2015 the Court set January 31, 2016 as the date by which to file for approval of the settlement or submit a stipulation of dismissal under 41(a)(1)(A). However, as this matter involves a class settlement, the parties intend to submit a motion for preliminary approval, not a stipulation of dismissal.

As the settlement agreement is in the process of being executed, the parties respectfully request a brief extension of the date by which to file for preliminary approval, to February 5, 2016. This is the parties' first request for an extension.

We thank the Court for its consideration.

Respectfully submitted,

/s/ Anne Seelig

GRANTED. The parties shall file their motion for preliminary approval of the settlement agreement by **February 5, 2016**.

SO ORDERED.
